

Join us for a  
**Waihemo Community Hui**

**Palmerston Sports Hall**

(33 Gilligan Street, Palmerston)

**Sunday 6 October, 11:30am – 2pm**

**Includes a Free Light Lunch**

- 
- Do you understand the natural hazards around you?
  - With any type of emergency, it is important that you and your family are prepared.
  - Need to plan, then let's make a plan!

This hui is a great chance to “get to know your community” and the various services and people located within it. Remember with any type of emergency, it is important that you, your family, and our community are prepared, so everyone knows what to do in the event of an emergency.

**SOME OF THE KEY SPEAKERS YOU'LL HEAR FROM ARE:**

**Caroline Orchiston, Research Associate Professor** (University of Otago), former Science Lead on AF8 Programme. Caroline will cover the likely impacts an Alpine Fault earthquake would have on our region.

**Tim van Woerden, Senior Natural Hazards Analyst** (Otago Regional Council) will cover other natural hazards within the Waihemo ward.

**Danny Fountaine, Emergency Management Advisor** (Emergency Management Otago) will provide preparedness information so you and your family can be prepared for emergencies.

**There will be a ‘Question & Answer’ session after key speakers have spoken, and a chance to meet and talk with local community and wider network organisations/groups within our area.**

Proudly supported by:

**Save the Date:**

**Sunday, 6 October, 11:30am – 2pm | Palmerston Sports Hall | 33 Gilligan Street**  
**Includes a Free Light Lunch**

Provided by: Beano's Bakery | The Cake District | Palmerston Four Square
